

Wayne State University

Frontline Strong Together Project, FST-5

Funded by

The State of Michigan

Group and Individual Incident Response Team Member Training for First Responders

Use the Sign-up Link to register and receive Frontline Strong Together Funding for the Training
A minimum of 10 first responders is required to conduct a course.

(Non-first responders are not covered by the Grant Funding.

Once the required 10 first responders register for a training session it will open to non-first responders to attend.

Non-first responders registering for trainings and will be charged a registration fee of \$100.00 on the first day of the training unless they are a member of a MCRA Registered Team that provides support for First Responders.)
